Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Unwrap all packaging materials and place the components on suitable surface to prevent scratching your product.

Check the pack and make sure you have all parts listed. In the event of problems or missing parts, please contact the seller.

Check all screws and bolts are tightened and inspect regularly.

This product is suitable for all year outdoor use, but we recommend that a furniture cover be used to add additional protection to your product when not in use.

PLEASE NOTE - All cushions should be stored indoors after use. The cushions are not waterproof.

During severe weather conditions, including high winds, rain, hail, thunderstorms, extreme heat and cold temperatures, the product should be stored inside in a cool, dry place.

During prolonged sunny spells, we recommend that furniture should be covered over with a protective furniture cover and/or stored inside when not in use. This will help prevent harmful UV rays from damaging and discolouring the material.

To best preserve the material (synthetic rattan) we recommend the use of a UV protector spray like Fabsil. This will block the harmful UV rays from damaging the material.

Before storage, ensure that the product is clean and dry.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Cushions should be cleaned following the care instruction on the label.
