## Quality & Construction

Materials: Strong steel frame construction with polyethylene synthetic rattan weave.

Table tops: Black tempered safety glass.

Cushions: Weather and stain resistant polyester cover, 80% polyester plus 20% cotton filling.

Each product is hand made. There may be colour variations due to the nature of the materials.

## Care & Maintenance

Our furniture products can be used outdoors in all good weather conditions. To keep your furniture looking at it's best, we recommend all furniture to be covered over with a protective furniture cover when not in use. Failure to protect your furniture in accordance with the care and maintenance instructions will invalidate the product guarantee.

Keep your furniture in a cool, dry and well ventilated place indoors to prevent rust damage and mould growth. To clean your rattan products, we recommend wiping them over with warm soapy water. Keep your furniture cushions indoors when not in use.

Our scatter cushions can be used outdoors in all good weather conditions. They can also be used indoors as an accessory. We recommend taking cushions inside when not in use to protect them from the elements. Keep your cushions in a clean and dry place indoors to prevent water damage and mould growth. To clean your scatter cushions we recommend sponge cleaning only.

Assembly: Some assembly is required.
